

Nominations for the ICGEB Council of Scientific Advisers

ICGEB is asking for nominations from member states for Council of Scientific Advisors (CSA) for the period of 2020-2022. Applicants from different organizations of Bangladesh with background information relevant to the work of ICGEB can apply. Applications should be accompanied with curriculum vitae (a template of CV is attached) together with one page summary of his/her scientific and technical qualifications. Applicants should send their applications to Liaison Office (National Institute of Biotechnology) of Bangladesh within 5 March 2019. Applicants are also requested to send a soft copy to dgnibbd@gmail.com
