## NATIONAL INSTITUTE OF BIOTECHNOLOGY

Ganakbari, Ashulia, Savar, Dhaka-1349, Bangladesh

# **Progress report**

## A. General information

| A1. Name and designation     |                                |
|------------------------------|--------------------------------|
| A2. Course                   | MS/PhD (delete as appropriate) |
| A3. Present workplace        |                                |
| A4. Supervisor(s)            |                                |
| A5. Study leave period       | to                             |
| A6. Expected completion date |                                |
| A7. Reporting period         | to                             |

## **B.** Research project

#### **B1.** Project title

Development of abiotic stress -----

### **B2.** Background

Write the background of your project including objectives

#### **B3.** Brief methodology

Methodology to meet the objectives (the whole project)

#### **B3.** Progress in last 3 months

Progress during the reporting period. You may wish to include the results you got before too. Use as much space you need.

#### C. Course works

#### C1. Course/lectures completed

Information on the mandatory courses completed to achieve the degree (if any)

# D. Certification (please leave a full page for part D)

| D1. Name, affiliation and signature of the supervisor(s) and the candidate |                      |  |  |
|--|----------------------|--|--|
| Supervisor   | (signature)          |  |  |
| Dr   |                      |  |  |
| Department of  |                      |  |  |
|  |                      |  |  |
| Supervisor   |                      |  |  |
| Dr   |                      |  |  |
| Department of  |                      |  |  |
| Candidate  |                      |  |  |
|  |                      |  |  |
| (name)<br>Scientific Officer   |                      |  |  |
|  |                      |  |  |
